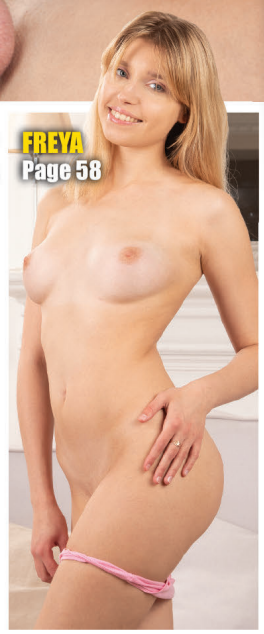
VOLUME 27
NUMBER 1



Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD. There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Zoe is a skinny brunette teenager. She's looking around her boyfriend's room for reading material when she finds his porno mags. She rubs one out on his bed, and when he walks in on her, he fucks her and gives her a hot, sticky creampie.

Summer's a college student. This 21-year-old blonde is an easygoing chick. She plays piano in a jam band at her school. Her fingers get put to good use as she diddles her shaved cunt and spreads her ass.

Sara is auditioning for a band. Her singing will make you want to cry, but her body will make you want to cum. She puts her big mouth to use by sucking cock. Then, she gets plowed in every position.

Aria is an 18-year-old cutie pie. She's young, but she knows what you want to see. She strips down to nothing, then lays back onto a bed and spreads her pussy wide. When she cums, she cums hard.

Angie's hairy pussy is delicious. She's 5' tall, weighs a scant 99 pounds and wears a 32B-cup bra. She's a normal, everyday kind of gal. Normal, if you don't count how exceptionally horny this little Bush Baby is.

Jamie is posing for the troops. She told us that she'd fuck a marine on the first date if he asked. She figured she'd pose nude as a pick-me-up for the troops.

Victoria is studying radiology. She's obviously very smart. This sexy Colombian babe is also horny, pretty and athletic.

Ryan wants you to judge her. She wants to be a pornstar more than anything. She's putting her sucking and fucking skills on display for you.

Angelina is a skinny teenager. If cutie-pie teens are your thing, then you're going to love her. She's wearing blue lace lingerie and lipstick to make herself look older, but it ain't working.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: Dakota
From: Boston
Height: 5'1"
Weight: 100

Dakota knows that she looks like an innocent little cutie, but she doesn't act like one. "I lost my virginity when I was really young. I've always had a healthy sexual appetite. I'm into choking, slapping, pegging, strap-ons, vibrator play, hair pulling, threesomes and a bunch of other stuff I can't think of right now. Anything that mixes pain and pleasure gets me off."

See Dakota get manhandled and fucked raw in Newcummers Winter '22 or online at NaughtyMag.com.

Job: Student
Age: 19
Birthdate: April 14
Height: 5'6"
Weight: 125 pounds
Bra Size: 32B
Panties: Thongs or nothing
Anal: Yes
BJs: Swallow, of course
Masturbate: Of course

Fun-loving and outgoing, everybody gets along with Everly. This teenage college student loves smoking pot and chilling with her friends. If she looks familiar, that's because she took on a porno-sized cock in *Naughty Neighbors* NN2605. This time, she's getting herself off the old-fashioned way.

Now, that's extreme!

"I saw this video online of a couple who did a tandem bungee jump completely naked. I haven't been able to get it out of my mind. I want to do that with a hot guy and have him inside me when we jump. It would be epic!"

Emma is a business major in school, and she means business when it comes to sucking and fucking, too. "I love making guys cum," Emma told us before her photo shoot. "My boyfriend told me that it was cool if I wanted to do porn. His words were, 'you're too good at sex to not consider making it a career.' I don't know about a career, but it sure sounds like a lot of fun to me!"

Hayden
Soriah

"I like tall guys," Emma told us. "But I don't discriminate. Short guys are cute, too. But, one thing I need is a thick cock. The guy I lost my virginity to had a long, thin dick and it didn't do it for me. I figured out that I can cum like crazy if the guy is nice and thick. It doesn't matter how long his dick is."

When Emma came through our door, we couldn't help but notice her nice ass. We had to compliment her. "Thanks, I work out a lot," she told us. "My boyfriend is trying to convince me to let him fuck it. So far, we've pretty much only done licking and fingering. One time, he stuck just the tippy-tip in and left it there while fingering me until I came. It was intense, but I liked it."

Taking a cumshot selfie.

"I'll swallow if a guy wants me to, but I prefer it when the guy cums on my tits or in my pussy. I recently started doing facials, and that's a lot of fun, too. The first time I took a facial, I had to take a selfie of myself covered in cum!"

These 24 inexperienced chicks are new to cumming on-camera, but they're damn good at it.

What inspires a young lady to strip naked and masturbate on-camera for the world to see? For these 24 girls, it's their love of cumming and getting people off. Why else would they leave their hometowns and boyfriends to come to us, the worldwide leader in amateur porn, to spread their assholes and finger their tight slits?

You can stream now @ eboobstore.com

See Kourtney's full-length pictorial in this issue

The 24 young girls in this movie have never done this before. The fact is, some of them are a little shy about it. Their friends back home would be shocked to see them here. Their parents would lose their minds. But here they are, showing off their hot, fuckable bodies. This movie is packed with girls from all over the world…the kind you might see at the mall or on-campus. They're not all teens, though. Kourtney from Denver is 30 years old. You can see her XXX pictorial in this mag, and then you can watch her cum solo in the movie.

You can stream now @ eboobstore.com

No matter what kind of girls you prefer, this flick has them. Jasmine is a Middle Eastern teenager from Georgia. Emerald is a 24-year-old Asian from Colorado. Missy is a gorgeous Latina, Ella is a biracial beauty and there are a ton of cute white girls like Mandy, a babyfaced 18-year-old. You won't find such an impressive array of pussies anywhere else, and this three-disc epic features full-length scenes, not those puny clips you see elsewhere.

You can stream now @ eboobstore.com

Get ready to jack to the newest, cutest and raunchiest girls in porn. Some of them give interviews before they drop their panties and expose every inch of their bodies to you. Others perform sexy stripteases. Some can't wait for all of that and jump to doing what you want them to do… shove their fingers and toys deep in their amateur cunts.

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

A BEGINNER'S GUIDE TO BDSM.

First, what does BDSM mean?
The catch-all description is bondage, discipline, dominance, submission, sadism and masochism. That's a lot. But, for a beginner, the best way to get started is to slowly dip your toe into the water, not cannonball into a lake of hot wax, knives, chains, whips and leather hoods. Here's what we recommend.

1. Start studying and go slowly. Your wife may have seen 50 Shades of Grey and mentioned that she would be interested in trying BDSM. Well, there's a world of difference between what she saw on the silver screen and the more extreme levels of bondage. For example, are you interested in restraints? Handcuffs and Japanese bondage ropes (called Shibari) are a good start. Want to implement a little pain into your play? Clamps on nipples or your woman's clitoris is a good start. So are spankings with a magazine (use ours!) or an open hand. If power dynamics are more your speed, you don't have to put anyone on a leash at first. Instead, try teasing with a vibrator or look into orgasm denial.

Thinking about taking your sex life to the extreme? We can help.

2. Always practice consent. Set a safe word. Respect that safe word. Be courteous, and never try anything that your partner disagreed to beforehand. The BDSM community uses the green/yellow/red system combined with safe words, and it's ideal for a few reasons. First, instead of having to yell out your safe word and stopping play because it's beginning to get intense, both people can explain that they're fully into what's happening (green), they should slow down (yellow), or things should pause or back down in intensity (red).

Don't get in over your head!

3. Tour your local sex shops. Once you have spoken with your partner about what you want to try, it's time to take a trip to your local pervert warehouse. Bringing in toys and outfits can inspire otherwise timid people to step outside of their comfort zones. Wireless vibrating bullets, anal beads, paddles, leather outfits, and tingling lube are all safe, kinky places to start. Pick out any items that you and your partner think might spice things up, but make sure they're in line with the activities and comfort levels you have already discussed.

Whips, chains and restraints. Where to start...

THE WORST SEX LYRICS OF ALL TIME

Not every songwriter is a genius. Sometimes, even successful musicians come up with some real stinkers, especially when they're writing and singing about sex. Here are the absolute worst song lyrics about fucking ever recorded. There's a little bit of rock and roll, hip-hop and country on this list because juvenile, poorly written jokes know no genre.

"Now if I fuck this model, and she just bleached her asshole, and I get bleach on my T-shirt, I'ma feel like an asshole."
Artist: **Kanye West**
Song: **Father Stretch My Hands Pt. 1**

"Oh wait a minute, wow, put it back in, in, in, in. This don't mean I'm gay, I don't like men. I like boobs, boobs, boobs. Now see that gerbil? Grab that tube. Shove it up my butt, let that little rascal nibble on my asshole."
Artist: **Eminem**
Song: **FACK**

"Let me put my love into you babe. Let me cut your cake with my knife."
Artist: **AC/DC**
Song: **Let Me Put My Love Into You**

"Screwing may be the only way that I can truly be free from my fucked up reality. So I dream and stroke it harder, 'cause it's so fun to see my face staring back at me. I don't know your fucking name. So what? Let's fuck"
Artist: **Korn**
Song: **ADIDAS**

"Why you coming home at five in the morn? Something's going on, can I smell yo' dick? Don't play me like a fool, 'cos that ain't cool. So, what you need to do is let me smell yo' dick."
Artist: **Riskay**
Song: **Smell Yo Dick**

"He popped all my buttons and he ripped my blouse. He Monica Lewinski'd all on my gown."
Artist: **Beyoncé**
Song: **Partition**

"I'll sit you up on a kitchen sink and stick the pink umbrella in your drink."
Artist: **Florida Georgia Line**
Song: **Sun Daze**

"I know you scared of that cock-a-doodle-do. Don't worry he ain't gonna hurt ya. I know you ain't never milked a cow before."
Artist: **Justin Moore**
Song: **Back That Thing Up**

Did you KNOW?

The average fuck session only lasts between 100 and 500 thrusts!

Dear Naughty Neighbors,

When I asked my girlfriend what she wanted for her 38th birthday, I didn't expect her to say "a wedding ring!" We have both been married before and we agreed that we didn't want to go down that road again. No, she told me she wanted something a little different. "I've always wanted to do a gangbang," she told me. Sera (not her

real name) is a free-spirited and sexually liberated woman. In the five years we had been together by that point, we had crossed nearly every sexual desire off of our bucket lists. Sera frequently invited other women into the

When we got our hands on these hot pics of this Russian cutie, it came with an email explaining that Gina has always wanted to pose in a nudie magazine because the idea turns her on, but she doesn't want her friends to find her pics, so she contacted us. We don't sell our mags in Russia, you see. This Gina is one smart cookie.

Gina mentioned in an email that her friends think she's a prude, but only because she doesn't talk to them about her sex life. "I have a couple of boyfriends," she wrote. "One of them is older and married. He works in finance, and he likes to buy me gifts. He calls me his sugar baby, but I prefer to think of myself as his fountain of youth."

A special occasion.
"I don't normally shave my pussy, but I wanted to do something special for my photos. I usually have a small, neat triangle of hair or a small strip. I kind of like the way it feels bare, though. It feels good in my panties."

Teens are great. Experienced and raunchy MILFs are wonderful. But, there's something exceptional about a woman in her 30s like Kourtney. She's fit, over-the-top horny, well-practiced and knows how to please. "I'm just a horny girl," Kourtney told us. "I masturbate probably too much. I like to use toys, fingers and anal play. I have to get off at least daily."

"I used to get dressed up and go on dates," Kourtney told us. "But I'm a tomboy at heart, and I don't like dating too much. Dating apps are great for finding hookups, though. I can hop on, choose a guy, be at his house in a few hours, ride his cock until I cum a few times, then I can go back home and put on my pajamas and watch Netflix."

Kourtney is inexperienced in front of the camera but not at showing off. "I love having sex in public and outdoors. I've fucked in dressing rooms, bathrooms, vehicles, on hikes, at the zoo, at the office, at an art museum...lots of places. I already told you that I'm crazy horny. Sometimes, I just can't wait to do it!"

The champagne room.

"My craziest sexual encounter was at a strip club. It involved two strippers, a guy I was hooking up with at the time and alcohol. We made him feel like a king, and then the girls made me feel like a queen. It was one hell of a night!"

Abby adores dongs. She covets cock. She desires dick. Simply put, she'll do anything to get her lips, pussy and asshole around a thick rod. This natural beauty says it best herself. "I have a boyfriend who lives abroad. I get so horny and he's so far away, I have to stray. He doesn't mind because he knows I can only stay unfilled for so long."

"My boyfriend can only come around a few times a month, so I have a couple of other guys I fuck. Once in a while, I'll just flirt with a guy some place and take him home with me. It's cool that I get to fuck other guys. Some girls say a dick is a dick, but when you're with someone a while and you get used to the way their cock feels, a stranger's cock ends up feeling way more incredible."

"My biggest fantasy is to receive a tongue bath. Obviously, guys have licked my pussy and butthole. But I think it would be amazing if a guy worshipped my whole body like that–my feet, back, legs, and everywhere else. Mmmm, I'm getting wet just thinking about it. And of course, I'd return the favor with a nice, long blow job and maybe lick his asshole if he wanted me to."

Leaving behind a puddle.
"I used to be ashamed of how wet I get. I always leave a puddle on my sheets whether I'm masturbating or having sex. Even when I ride a guy my pussy juices tend to run all the way down his balls. But, I learned to appreciate it."

Missy shot for our sister magazine *18eighteen* five months after she became legal. It's issue ET2306 if you're interested. When she was interviewed for that photo-shoot, she mentioned that she had always been shy. She said that she thought about sex all the time, but she's quiet and didn't know how to talk to guys. Now, though, she says all of that has changed.

Missy's sexy secret.

"Ever since I was in a porno mag, I've felt a huge boost of confidence. Now, when I flirt with a guy, I have this sexy secret that helps me remember how to be more open and throw caution to the wind. It was life-changing!"

We found Freya through a photographer who used to work with us. He told us he had a lead on an absolute angel. He was right. Freya is a gorgeous, innocent-looking sex fiend. "I'm passionate about good sex and foreplay. I love giving head. I'm a master of deepthroating and face fucking," she told us.

"I love three-ways. My first time, I was so nervous. I was watching a movie with two of my guy friends. I was in the middle, and I started rubbing their cocks through their jeans. One thing led to another, and soon I was on my knees, getting fucked doggie-style while deepthroating my other friend's cock."

Triangle of pleasure.
"I've been with other girls, but I want to try a threesome with only girls. I think it would be hot if we formed a triangle, each one eating out another girl. If we could all cum on each other's tongues at the same time, it would be magical."

bedroom for both of us to enjoy, and I indulged her when she wanted to try double penetration with another man. Still, the idea of watching a room-full of men thrusting in and out of my partner and cumming all over her face, the face I kiss every day, made me wonder if I could get past my sexual hang-ups.

I spent a week reading up on gangbangs and why they turn some women on and some women off. It wasn't the easiest thing to do. When you Google "gangbang," the first few pages aren't medical or scientific articles, if you know what I mean. Eventually, I found a lecture from a sex specialist who explained it in simple terms. Some women want to be the object of desire. They want to be the sole focus of several men. Sure, the guys could get off, too, but the primary goal is to spend time pleasing the woman. "Okay," I told Sera a week after she broached the subject. "Let's plan you a gangbang!" Her face lit up like it was Christmas morning. "I can't wait to see what you plan," she beamed. My spirits sunk. I didn't know how to plan a gangbang. Sera explained that she wanted to vet the guys we'd invite. She didn't want schlubby strangers from Craigslist to show up. She wanted good-looking guys with muscles and nice cocks. We

eventually settled on; a personal trainer from her gym whom she liked to ogle; her fuck-buddy from college who recently became single; a friend-of-a-friend whom we knew was into the swinging scene; one of my golfing buddies who always shared his sexual exploits whenever we hung out; and a casual friend who worked at our local sex shop. Plus, Sera assured me that I could join in, too. I asked her why she chose six guys. "Well," she giggled, "I have a pussy, an ass, two hands, a mouth, and I love getting tit fucked." I tried to imagine how that might look. How big of a bed would we need to fit all of those moving parts into/onto one woman? I began to get a little excited…and nervous.

I booked a hotel room in our city for Sera's birthday weekend. A few of the guys couldn't make it on her actual birthday, so we figured the following Saturday would be good enough. I texted all of the guys that we would provide condoms, scotch, bottles of water and lube. All they had to do was show up, be clean and respectful and agree to our ground rules. We set our safe word, too, something that my research into gangbangs told me was vitally important. That's when Paul, my golfing buddy, texted back that he didn't think it was such a good idea. I always suspected he was full of shit when he boasted about his massive

cock and near-nightly escapades. Oh, well. We still had enough dick for Sera. When the day arrived, Sera and I checked into our hotel room early. She jumped into the shower as I organized the bowls of condoms and lube. While she was in the bathroom, I popped a Viagra. I didn't want to be outshined by anybody else's performance. Sera emerged from the shower naked and asked if I wanted to help her put in her three-inch glass butt plug. She laid on the bed, and I lubed up my finger before sliding it into her asshole. She let out a brief, sharp yip. I leaned my head down and started to lick her pussy. That always helps her loosen up before we have anal. Her pussy was already soaking wet. I mean, it was fucking dripping. Obviously, she was excited. I kept licking her and fucking her asshole with the plug until she came, locking my head between her freshly-shaved thighs. A second later, she popped up and ran out of the room. "I have to do my hair and put on my lingerie!" she yelled through the bathroom door.

The guys texted me when they arrived in the hotel lobby. I went down and got them, trying not to be noticed by the hotel employees. I don't think I did a good job, but fuck it. Sera was sitting on the bed and sipping a scotch when we entered the room. The guys sat down, one guy next to her on the bed, and the rest in chairs. I passed the bottle of booze around, and we made small talk for around 15 minutes. Finally, Sera got to the point. "I'm glad you guys could cum," she said, giggling at her dumb double entendre. We all chuckled. "Did my boyfriend tell you how things would work, what was on the table, and what not to do?" We all nodded. "Good, then let me see what we're working with."

Sera turned to the guy sitting next to her and helped him take off his shirt and pants. She grabbed his cock, flaccid but still massive, and she took him into her mouth. Another guy grabbed her hips and pulled her into the doggie-style position. Then he pulled down her panties to reveal her plug and her perfect, dripping wet cunt. He began to tongue her. "Mmmm…" Sera moaned before filling her throat with the dick in front of her. The two other guys stood up and placed their meat in her hands. She started to jerk

Selena poses nude for her boyfriend all of the time. "He brought it up after the second time we had sex," Selena informed us. "He said that I had the best body he had ever seen, and he wanted to jerk off to my pictures. I had never considered it, but I was flattered, so I let him take some."

"Eventually, taking naked photos became a hobby of ours. We would go on drives out to the country, and he'd bring his camera with him. Or, we would go on date nights, and he'd take a picture of me flashing my tits in a restaurant. We've taken some hardcore ones of me sucking his dick, but he likes them of just me."

Sharing is caring.
"This is the first time my boyfriend has ever shared my pictures, to my knowledge. I have a suspicion he's shown some to his friends because some of them blush when they see me now. I don't care. I like the attention."

We awarded Nina the title of Bush Baby back in our May 2018 issue. Back then, she had a hippie boyfriend who encouraged her to grow out her pubic hair. Well, Nina got back in contact with us a little while ago and sent in these pics. "I broke up with that guy, but I kept the nudes. I figured you'd like to use them?"

What a fuckin' dumbass.
"My ex and I broke up because he started fucking a girl we had a threesome with behind my back. What an idiot. I was happy to fuck her with him, but he wanted one-on-one time with her. Oh, well. That guy sucked."

"I've only recently started enjoying sex," Sabrina told us. "I lost my virginity in the backseat of a guy's car. He was really sweet, but the sex was awful. I remember thinking, 'well, this isn't for me.' But, a few months ago, I met a guy in class, and he ate me out for half an hour before we fucked. It was, like, a religious experience."

"It's kinda funny how I went from having zero sex to experiencing a ton of crazy stuff all at once. Like, I've never had a threesome, but I've had a foursome. That guy from school brought me to a house party, and we ended up fucking in a bed with another couple. Halfway through, we swapped. I fingered a girl for the first time that night. It was an awesome night."

Her personal best.

"I heard that some women could have multiple orgasms, so I tried for myself. I laid out a towel, grabbed my vibrator and went to town. I ended up having six powerful orgasms before I had to stop because my whole body was shaking."

them, but it was too hard in that position. She rolled onto her back, leaned her head off the edge of the bed, and the guy she was sucking began to throat-fuck her. The handjob guys grabbed some lube and squirted some onto her palms.

Sera began to move like a car engine. Her arms became pistons, her body was getting slammed up and down by the dick in her mouth, and her pussy was getting vigorously fingered by

another dude. The Viagra kicked in and I said, "Okay, somebody's got to be first to fuck her." The man between Sera's thighs graciously moved and allowed me access to my girlfriend. I slipped inside her cunt and was blown away by how lubed up she was already. She screeched like an animal when I thrust all of myself in her. I felt her pussy tense as she began to cum for the second time that evening. I was only in her for a few seconds, and she was already shaking. I had to share the wealth. I pulled out and let another guy take my place.

Overall, Sera was sucking, fucking or masturbating (we men had to rest sometimes) for over six hours. If I shared every detail of that night with

THESE ALL-NATURAL BUSTY SLUTS ARE HUNGRY FOR COCK

you, it would take me a week to write out all of the details. I asked her what moments she liked best, so I'll share what she told me.

"It was all amazing, but I think I liked it the best when I felt like a slut. Like, when I was on my back getting fucked, I was deepthroating a cock, and another guy came all over my tits. The guy I was sucking was close to cumming, too, so he pulled off his condom and came on me as well. I was lying there, still getting railed, and I had two loads on me. Then, another nice dick showed up in front of my face, and I started sucking again."

[Author's note: The second deepthroated cock in that story was mine.]

"I also loved doing the DP that night. I think every guy had been in my pussy by that point, so I knew whose pieces would fit where. I sat reverse-cowgirl with one dick in my ass and got used to him being in there. Then, you all ran train on my pussy, grabbing my hips and fucking the ever-loving shit out of me. I think that whole thing took around half an hour, and I was in an orgasm trance the entire time. It felt like I had taken ecstasy."

If I were hard-pressed to say what my favorite part of the night was, it would be when Sera was giving her cunt a break (it had taken a beating!) and she was lazily sucking a guy's cock, ass in the air. I walked behind her and started fingering her butt. She moaned and turned around, winking at me. I asked her if I could fuck her ass, and she replied, "you can do anything you want to me, but will you please cum inside me?" Besides the guy getting a blowjob, everybody else seemed pretty tuckered out, so I didn't think anybody would be using her ass after me. I pulled off my condom and slid my dick inside her still-tight (but fairly stretched-out) asshole. I started slow and built up my pace. She was now devouring that other guy's dick. I gripped her tight and started jackhammering her butt. She was squealing with delight. I came as much as I could muster into her asshole just as the guy in her mouth came, too. Sera rolled over on the bed and closed her eyes. She had a smile on her face, jizz all over her perfect body, and my juices were running out of her asshole. "Happy birthday to me," she murmured before falling asleep.

We featured Alice, the former homecoming queen, in our last issue. Now, she's back and ready to deepthroat cock, get her pussy railed and her natural tits and face painted with hot, sticky cum. When we asked her if she was excited, she said, "You have no idea. I haven't gotten laid in two weeks. That's like a new record for me. If I had my way, I'd have sex every single day."

"I haven't dated anyone my age in a long time," Alice told us. "I think I'm too mature for boys. I like mature men in their late 30s or 40s. But, unfortunately, the young guys have a lot more energy. Your porn stud gave me everything he had, and I was barely keeping up. He hit my G-spot so hard, I thought I was gonna squirt all over the place!"

"I remember the first time I hooked up with a girl; I thought that I could potentially become a lesbian. There's something so sensual and lovely about a lady's body. But, the more I thought about it, I realized that I could never, ever give up cock. It's just too good. I love the feeling of having a creampie shot into me."

She's a star!
"When I saw the pictures you guys took of me masturbating, I got sort of...emotional. I looked like a real pornstar! It was exhilarating, scary, sexy, naughty and fuckin' awesome. I still can't believe I did a freaking porno!"

BEST FUCKIN' FRIENDS

When these girls say they share everything, they mean everything... especially cocks! Loaded with three girl-girl-boy threesomes and one wild swapping scene, there's plenty of cum-swapping, tit sucking and girl-girl pussy licking.

256 Min. X Rated (DVD only)

BACK DOOR BRATS 2

They're at an age when most of their BFFs haven't even fucked, yet here they are getting their tighter-than-tight assholes plundered by big-dicked studs for all the world to see. Six adorable babes suck cock, get their pussies slammed and then, for the main event, take the anal plunge.

PRIVATE SCHOOLS SLUTS 3

Tight. Schoolgirl. Twats. That's what it's all about in the third edition of this best-selling solo series. Sixteen teenaged girls (some of them don't even have hair on their pussies) take off their skirts and diddle their clits till they cum hard.
258 Min. X Rated (DVD only)

LIL' PISSERS 2

These teens have full bladders and throbbing clits aching to cum. Nature is calling, and they're ready to answer. But before they cum, they've got to pee. Nine girls spread their legs and tinkle for the camera, their champagne-colored piss streams gushing and spraying.
123 Min. XXX Rated (Blu-ray or DVD)

YOUNG & ASS-FUCKED

As if their pussies weren't tight enough to make a guy bust fast, now these teens are offering up their tight buttholes to hung studs. Their daddies would ground them for life, but they know it's worth it for the wildest, nastiest sex they've ever had.
128 Min. XXX Rated (DVD only)

LIL' CUM LICKERS

They'll lick your lollipop then they'll lick up your cum. Six daddy's girls who were brought up to know better suck and fuck big porn cocks then open their mouths for cum. They eat as much of it as they can, but some of it drips down their chins and onto their adorable little titties.
140 Min. XXX Rated (DVD only)

FLAT & FUCKED ANAL EDITION

The itty-bitty titty committee goes anal! For years, the Flat & Fucked series has given you tiny-titted teens in hardcore action. Now we've compiled the best anal scenes and put them into one hot, ass-stretching collection.
145 Min. XXX Rated (DVD only)

CUM ON MY BRACES

Nine little tinsel-toothed tarts wrap their lips around thick poles and suck them to stiffness. Then they squeeze them with their tight, little pussies. They love that, but most of all they love it when they get their metal mouths sprayed with jizz.
146 Min. XXX Rated (Blu-ray or DVD)

CUM CRAVING TEENS

Yeah, these girls are legal, but just barely. If their parents found out they were here, having sex with strangers for all the world to see, they'd definitely flip out. This is real teen porn with 100% real teenagers. There's even a brace-face and a foot-job.
120 Min. XXX Rated (DVD only)

BUSH BABIES 4

Twelve brand-new Bush Babies show off their dripping-wet and fragrant cunts. You won't find these girls together anywhere else. Hear them moan as they penetrate their fuzzy cunts with vibrators, finger and rub their buttholes and reach massive, shaking orgasms.
200 Min. X Rated (DVD only)

BUSH BABIES 5

It's a jungle down there, but you're the Bush Man who can handle these Bush Babies. And because au naturel means more than hairy pussy, some of these babes have hairy armpits and legs, too. There are 12 girls, all amateurs, and two of them are MILFs.
230 Min. X Rated (DVD only)
